

AI FOR EDUCATORS WORKSHOP

Join a professional development session designed to equip educators with the knowledge and skills to effectively integrate artificial intelligence (AI) into their professional and personal workflows.

Participants will explore practical AI tools and strategies to streamline tasks, enhance instructional quality, and personalize learning experiences, ultimately saving time and improving student outcomes.

**June 4,
2025**

**9:00am -
3:00pm**

**ESU 13,
Scottsbluff**
