

CAREER & TECHNICAL EDUCATION COLLABORATION DAY

Join us for a full day of professional learning designed to support Career and Technical Education (CTE) professionals across the Panhandle. This event will bring together CTE educators, special education teachers, administrators, and school counselors to strengthen instructional practices, share innovative strategies, and explore statewide updates in CTE.

September 30, 2026

ESU 13, Scottsbluff, NE

Some sessions will be available virtually.
